Am I focusing on solutions instead of problems?

To reinforce the EQ philosophy, our 6th graders are trained to be our EQ Ambassadors and role models for the rest of the students as they spend time in the younger grade classrooms. Each teacher will hold weekly class meetings focusing on the four key questions and weekly motto. Dr. Marone talks about the weekly motto on the announcements each morning and awards students weekly for demonstrating that motto.

PROFESSIONAL LEARNING COMMUNITIES (PLC's)

Most Fridays, students will be released early so teachers can participate in PLC work. This work is directly related to the planning, instruction, and interventions we implement in our classrooms to ensure that students master the standards. Once a month, our teachers meet in collaborative teams with Gavilan Peak teachers.

A professional learning community is a group of educators
