Developing responsible, global citizens that will be prepared to actively participate and add value in the real world.

School begins at 8:45 AM and dismisses at 3:30 PM. Students are not permitted on campus until 8:30 AM when there is adult supervision or at 8:15 AM in the cafeteria if they are participating in our breakfast program.

School gates will remain locked throughout the school day. All students should not arrive before 8:30AM. Students who are enrolled in the before/after school care program, or students that eat breakfast in the cafeteria can arrive at 8:15 AM and will enter through the cafeteria door from the parking lot. All other students will enter through designated campus gates between 8:30-8:45 AM.

Gates will be unlocked at 3:30 PM when school dismisses. Parents and guardians must remain outside the school gates and are not permitted to enter the campus.

If you wish to talk to your child's teacher after school, we ask that you politely make an appointment with the teacher and sign in at the front office.

The parking lot in front of the administration and kindergarten buildings are to be used for student drop-off and/or pick-up, including kindergarten and any handicap persons getting out of their vehicle. There are handicap parking spots in the south lot for pick-up/drop-off.

nature, severity, and frequency of the offense. The consequences/disciplinary actions may be taken in isolation, in combination, or in any order, and are confidential. Progressive discipline will be used in cases in which a student commits the same infraction repeatedly over the duration of the student's tenure in the district.

DVUSD campuses have Emergency Response Plans (ERPs) written specifically for their sites. These plans contain information needed for an emergency and is kept within reach of administration. In the off chance that an emergency occurs, your child's school office staff is equipped and ready. These Emergency Response Plans were written in partnership with local law enforcement and are continually updated. Drills are conducted on a monthly basis to properly train students.

The Governing Board of the Deer Valley Unified School District believes it is the right of every student to be educated in a positive, safe, caring, and respectful learning environment. The Governing Board further believes a school environment that is inclusive of these traits maximizes student achievement,

Deer Valley Unified School District is committed to providing students with the most effective web-based tools and applications for learning. In order to do so, we abide by federal regulations that require parental consent as outlined below. As required by the Child Internet Protection Act (CIPA), DVUSD has technology measures and policies in place which protect students from harmful materials. Email and websites are filtered so that content from inappropriate sites is blocked. For more information on CIPA, please visit [fcc.gov/consumers/guides/childrensinternet-protection-act](http://fcc.gov/consumers/guides/childrensinternet-protection-act).

Every school in the Deer Valley Unified School District is served by a licensed registered nurse or a licensed practical nurse. The basic purpose of the health center is to promote and safeguard the health and well-being of each child. Cooperation between parents, staff and school nurse or LPN is vitally important in achieving this goal. During the school year, screening for vision and hearing will be conducted at various grade levels.

Websites" and scroll down to "Jamie Miller Nurse" to access Nurse Jamie's website) or call the Maricopa County Health Department at (602)-506-6767 or (602)-263-8856 for locations of clinics and hours of operation. Immunizations at the County clinics are free of charge for children under the age of 18, but please bring your insurance information with you. Exemption forms are available from the nurse.

These forms contain vital information should your child become ill or injured at school. Students will be released ONLY to those persons indicated on the form.

If a student feels ill during the school day, he/she should report his/her complaint to the classroom teacher for a referral to the nurse. Students are not ation <

During the academic day we offer a Gifted Program (SAGE/SPARK) implemented to provide instruction to academically talented students in grades 3 through 6 in reading and/or math. Students are identified for the SAGE/SPARK program through teacher referral, parent request, and testing. Testing will be conducted three times a year, generally within the first 30 days of the school year, within 30 days of second semester and within 30 days of the end of the school year. A child who passes the test in September or January can begin SAGE/SPARK classes at that time. Testing in May is for placement the following fall when school begins.

DVUSD Community Education school-based Before and After School Care Programs offer families the opportunity to extend their children's environment.
